

Beginning Bridge

With Terry Currie

- **Want to learn the world's best card game?**
 - It boosts the immune system.
 - It requires concentration while playing which keeps the brain active and stimulated.
 - It is a social game...a key to healthy aging.
 - It significantly lowers the risk of developing Alzheimer's disease or other forms of dementia.
 - Children who play bridge perform significantly better on standardized tests than their non bridge playing counterparts.
 - It's the best mental game ever invented.
- **Then this class is for you!**
 - When you finish this class, you will have all the knowledge you need to play in your social group or in beginning duplicate games!
